Fitness Floor Schedule Class Descriptions

CREW Rowing Classes

Indoor rowing is a low impact cardiovascular exercise that works the entire body. Rowing is easy to learn and can be beneficial to all ages and abilities since you are in control of your resistance and how hard you pull and push. Class will be mixed with other cardiovascular and strength components for a total body workout

FIT Zone

FIT zone fitness offers quality Personal Training in a small group setting. Combing strength circuits using battle ropes, balls, bands, TRX and many other innovating training techniques that produce results.

Senior FIT Zone

Senior FIT zone fitness offers quality Personal Training in a small group setting. Taking everyday movement patterns and designing a strength program around it.
